Speaker

Dr Loh Chit Sin
Consultant Urologist, Malaysia

Dato' Dr Loh Chit Sin brings over 40 years of experience in urology, with a special focus on uro-oncology, minimally invasive and robotic surgery. He has performed over 1,200 robotic operations on prostate, kidney, ureter, and bladder cancers of varying complexity, along with numerous reconstructive procedures. Recognised for his expertise, Dr Loh is a regional key opinion leader and has served as President of the Malaysian Urological Association and Chairman of the Minimally Invasive Surgery Chapter under the College of Surgeons Malaysia. He now helps drive Hospital Picaso's vision as a centre of excellence in advanced urological care.
